

Welcome to our Beer Hall, we've been brewing our beer since 1849 and we're proud to showcase it in our food. When it comes to hand-battering our fish, light and lemony Sunchaser was the obvious choice. The malty toffee notes of our Tiger ale really shine through in Tiger ale gravy and as a cheese county we've combined Red Leicester with Everards New World IPA to make our cheese sauce.

Look out for the Everards  symbol on our menu which shows where one of our beers, brewed right here, is used.

We are proud of our Midlands roots, sourcing steaks, sausages, and meat pies from Owen Taylor & Sons. Our Tiger ale chutney is made for us by Driver's and our bread, including our Manchet buns, an Old English style bread, similar to a less sweet Brioche, is baked by Hambleton's, as is our sliced bloomer.

But enough about us... we know everyone is an individual and we want to do our best to make your meal enjoyable, if you have an allergy please tell a member of our team. We don't list every ingredient in every dish, so if the unexpected like a sprinkle of herbs or a salad garnish will stop you enjoying your meal please talk to your server, they'll be happy to help.
