

Welcome to our Beer Hall, we've been brewing our beer since 1849, and we're proud to showcase it in our food. Look out for the Everards **E** symbol on our menu, which shows where one of our beers, brewed right here is used. We are proud of our Midlands roots, sourcing steaks, sausages, and meat pies from Owen Taylor & Sons. Our Manchet buns, an Old English style bread, like a less sweet brioche, made for us by Hambleton's, as is our sliced bloomer. But enough about us... we know everyone is an individual and we want to do our best to make your meal enjoyable, if you have an allergy please tell a member of our team. We don't list every ingredient in every dish, so if the unexpected like a sprinkle of herbs or a salad garnish will stop you enjoying your meal please talk to your server, they'll be happy to help.
