## AFTER SOMETHING REALLY SPECIAL?

Try our Tank Ale and Tank Lager poured from our beautiful copper tanks.. These beers are unfiltered and unpasteurised to deliver a brewery fresh pint with the fullest of flavours. Due to this, and the fact it's served chilled, there may be a slight haze which is typical of the style. Enjoy it served in one of our tankards or have a taster in one of our 'Meadows Experience' flights.

## LIMITED EDITION BEERS

We'll always have a great range of limited edition cask and craft beers from our main brewery and small batch brews from our pilot brewery on the bar. Have a chat with your server to find out what we have on today.
